Chloé

Pianca SpA · Thursday, April 4th, 2019

A reassuring design with gentle lines and wrap-around shapes. The C-shaped structure embraces and supports the elements of this casegoods collection: curved and upholstered, with a soft, sinuous silhouette, it can be covered in fabric or leather for a refined effect. The continuity of the surfaces and the absence of handles denote an exclusive design, distinguished by the discreet groove on the wooden side of the drawers so that they can be conveniently gripped at the side. The collection also includes the Chloé Vanity: versatile and refined, it can be used as an elegant desk or an exclusive dressing table with mirror.
