Haik

Pianca SpA · Friday, April 5th, 2019

Haik presents itself as a harmonious blend of geometric shapes, able to reflect and play with the light of its beautiful metallic finishes, but also to fit with determination in areas essential in white color version. The craftsmanship of the manufacturing process makes each piece unique. At the sight or touch are perceived in fact the quality of its implementation and the naturalness of the material. The innovative strength of this object to construction, form, material and finish, makes it a piece of furniture distinctive, suitable for any environment inside and outside the home. Eclectic in its interpretation can be used as a bedside table, coffee table, stool. In all circumstances, it is a unique, recognizable, a touch of art that can not be ignored.
