Peonia

Pianca SpA · Wednesday, May 25th, 2022

The Peonia collection is expanding, making room for arrangements with exciting new functional and style options. The linear sofa, chaise longue and armchair now explore versatile combinations with new modules: a pouf, an angled pouf and central, corner and end modules. The basic style concept remains the same, reinforcing Peonia's sculptural, snug design and its characteristic petal structure, which recalls the delicate gracefulness of the peony flower. The collection is blossoming gloriously, creating a rich variety of arrangement options that fit perfectly in any space and fulfill any requirements.
