Levante Out

Pianca SpA · Wednesday, May 8th, 2024

Ample and versatile, perfect for configuration in multiple variations, Levante consists of: modular sofa, reclining lounger with wheels, static lounger, armchair, bar stool and chair, with and without armrests. Its distinguishing features are the piping along the edges of the fully-removable fabric covers, and the roller cushion backrest, in some cases movable, to be positioned as required. Made using fully draining, breathable and weather-resistant polyurethane padding for outdoor furniture. The stainless steel tube frame is available in a brushed finish or in Espresso and Seta colours. In compliance with the principles of the circular economy and sustainability, all pieces in the collection can be dismantled easily.
