Puerta TV Pianca SpA · Friday, April 28th, 2023

Precision, functionality and elegance. Thanks to its linear, handle-less design, this sliding door perfectly matches the different wardrobe models for which it is available: Amalfi, Cornice, Icona, Manhattan, Nastro, Plana, Raggio and Tratto. The recessed module is designed to accommodate the TV set, which is framed like a picture and is an integral part of the door without compromising its volume and shape. You can fit out the wardrobe modules with all the accessories from the Pianca collection, to keep things orderly and tidy.
