Xavier Lust

Confluence

Xavier Lust有一种将金属塑造成设计杰作的天赋，而Pianca的本领是木材加工：这两个领域的专业知识汇合在一起，创造出这张动态几何优雅的桌子。扭曲的金属型材有一个原始的三维质量，而材料的强度传递了一个曲折的轻盈，从水平平稳过渡到垂直。桌面为和谐的设计增添了画龙点睛的感觉。在4个几何图形和一系列饰面的选择中，这张桌子在装饰风格各异的房间里显得格外突出。

^{EN} Xavier Lust has a flair for shaping metal into design masterpieces, while Pianca's bent is for working wood: these two areas of expertise have come together in Confluence, a table with the dynamic elegance of geometry in motion. The twisting metal profiles have an original threedimensional quality to them while the strength of the material conveys a sinuous lightness, transitioning smoothly from the horizontal to the vertical. The top adds the finishing touch to a harmonious design. In a choice of 4 geometric shapes and an array of finishes, this table makes a strong statement in rooms with different styles of decor.
