Ettore e Ettorino

雕塑，标志性，大胆的：Ettore桌子，是向设计大师Ettore Sottsass的致敬，源于一种以讽刺的方式组合三种经典、主要、几何元素的乐趣。中间的腿，巨大的尺寸，在底部变细，以产生一个更轻的外观，并暗示了一个讽刺性的对比部分和一个意想不到的效果，欺骗眼睛相信它没有触及地面。这种效果是通过材料的选择来强调的：构成底座的金属板的闪亮金属反射了腿，产生了一种错觉，即桌子是悬浮的，不稳定的平衡。这两位设计师成功地将玩具的理念与Pianca所倡导的理念相结合，Pianca是一种优雅、简约的语言的倡导者，并辅以优质的材料和饰面。

^{EN} Sculptural, symbolic, bold: the table Ettore, homage to master designer Ettore Sottsass, stem from a desire to have fun assembling three classic, primary, geometric elements in an ironic way. The central leg, monumental in size, tapers at the base to produce a lighter look and suggest an ironic contrast between the parts and an unexpected effect, fooling the eyes into believing it doesn't touch the ground. The effect is emphasized by the choice of materials: the shiny metal of the plate forming the base reflects the leg, producing the illusionary impression that the table is suspended and precariously balanced. The two designers successfully paired the idea of the toy with the vision espoused by Pianca, champion of an elegant, pared-back language punctuated by premium materials and finishes.
