# Fushimi Lounge

意大利的制作工艺与日本风格的设计结合融入在这把深深地充满了记忆和触觉经历的扶手椅。在 Fushimi 系列中，被增加了这新的配套家具。期望的故事从接缝的相切联系中派生出。皮革包裹了木材，更新了古老的协同：唤起了材料和颜色的新联系。Fushimi Lounge 扶手椅是对 Fushimi 床的重新诠释，它以其自身灵感的主要特点为基础，从怎么把豪华的实木进行精工制作开始。Fushimi Lounge 扶手椅的设计简洁、自然和匀称，木材的结构又隐藏的又外露的，与皮革主节共生，其细致的工艺非常诱人。可以选择实木胡桃木或水曲柳贴实木饰面-Rovere Naturale、Borgogna、Canaletto 或者黑色开放纹路；天然的硬皮，在 Hermes, Moro 和 Nero 的颜色。

<sup>EN</sup> Italian craftsmanship fuses with Japanese style in an armchair deeply infused with references and tactile experiences. A new complement is added to the Fushimi collection. A tale of expectations derives from the tangential relationship between the joints. Leather wraps around wood, renewing an ancient collaboration: evocation of new relationships between material and colour. A reinterpretation of the Fushimi bed, the Fushimi lounge armchair builds on the dominating features of its own inspiration, starting with how the luxurious solid wood is machined and finished. Designed with simplicity, naturalness and proportion, the Fushimi lounge chair has a wooden structure that is both concealed and exposed in symbiosis with the main leather section whose meticulous craftsmanship is utterly inviting. Available in solid walnut or ash in the Rovere Naturale, Borgogna and Canaletto shades or Open-pore Nero, natural hard leather in the Hermes, Moro and Nero colours.
