Ginevra

这是一个宽敞的单元，旨在为您的设计方案增添一点个人情调：**Ginevra**餐具柜具有双重品质。从柜体边缘伸出的细长门在隐藏合页上打开，既美观又实用。内部玻璃架提供了一个动态的满足存储和空间管理的需要。大的、富有表现力的把手，无论是方形的还是矩形的，都可以被布置成变化的几何结构，与门相匹配或形成对比。烤漆、实木贴面或金属饰面也是底座的一个显著特征。

^{EN} A spacious unit designed to add a personal touch to your design scheme: dual qualities possessed by the Ginevra sideboard. The slim doors protruding beyond the edge of the carcass swing open on hidden hinges, combining beauty with practical use. The internal glass shelves offer a dynamic response to storage and space management needs. The large, expressive handles, either square or rectangular, can be arranged to form changing geometric compositions, matching or contrasting with the doors. The lacquered, wood or metal finishes can be used as a distinctive feature on the base, too.
