Norma

其线条的锐利、流畅的设计赋予了优雅和精炼的魅力。其表面的连续性是其主要特点之一：整个结构包裹在一个只有4毫米厚的连续薄型面板中，产生了丰富的整体外观。取而代之的是优雅的“一键打开”系统，这也增加了这种效果。底座采用多种不同的饰面，并可选择高光和亚光漆颜色、实木饰面、玻璃和镜面饰面以及原始的天然岩板饰面，该单元可根据个人喜好改变外观。

^{EN} The sharp, unfussy design of its lines lends an elegance and refined appeal. The continuity of its surfaces is one of its key features: the whole structure is wrapped in a continuous slim panel, just 4 mm thick, producing a rich monolithic look. The decision to banish handles in favour of the elegant push-to-open system adds to this effect. With a host of different finishes for the base and a choice of high gloss and matt lacquered colours, wood, glass and mirrored finishes as well as the original natural slate finish, the unit changes appearance according to individual preferences.
