Rada

低调的设计，诱人的线条，柔和的组合。Rada是一张流动、亲密和精致轮廓的床。床头板向后轻轻地弯曲了，使人完全地放松，恢复原始状态。这张床似乎源于单笔笔触，它的曲线无缝地流入金属脚，以一个极其微妙但自然的材料对比。软包很轻而适中，Philippe Tabet 设计的产品像熟练的工匠纯粹的创作。金属床架与铝合金底座组合在一起，它们可以选择白色和黑色金属或者哑光饰面。床头板由聚氨酯泡沫制作，并带固定的布料或皮革软包，可适用两种不同的高度。

^{EN} Understated style, inviting contours, softly combined. Rada is a bed with a flowing, intimate and delicate profile. The headboard curves backwards gently, inviting total relaxation, yielding to its form. The bed appears to derive from a single pen-stroke, its curves flowing seamlessly into metal feet, in a supremely delicate yet natural contrast of materials. The upholstery is light and carefully measured, the product of Philippe Tabet's design style and the skilled hand of the master craftsman who created it. A metal frame combines with an aluminium alloy base, with a metallic or matt finish, in black and white. The headboard, available in two different heights, is made of polyurethane foam with a fixed fabric or leather cover.
