# Woody

由意大利实践工作室Metrica设计的桌子表面和特征与Pianca的理念完美契合，由此产生了一种由锐利、最小的几何线条定义的产品。桌面，以其超薄的边缘特征，似乎漂浮在框架之上，虽然在一张令人印象深刻的桌子上延伸了整整三米，但仍然设法保持了最大的稳定性和坚固性。有广泛的木材饰面可供选择和定制选项，Woody可以定制，以适应任何室内，无论是经典或者当代的。

EN The surfaces and features of the table designed by the italian practice Studio Metrica fit perfectly with Pianca's philosophy, resulting in a product defined by sharp, minimal geometric lines. The top, with its extraordinarily slim edge feature, seems to float above the frame that, while stretching a full three metres in one spectacularly impressive table, still manages to retain the utmost stability and solidity. With an extensive range of wood finishes to choose from and a made-to-measure option, Woody can be tailored to fit any interior, whether classic or contemporary.
