# Baio

**Baio**系列的共同点是古怪而原始的细节，其背后的灵感可以追溯到冰岛。这是一群马的标志性形象，给了设计师们一个想法，让桌子的腿与一个逐渐变细、拉长的马蹄配合在一起。这个细节给了设计一个开箱即用的外观，并以一个更明显的方式奠定了这件作品的基础。由此产生的成分平衡是精致和微妙的。在圆形的版本中，单中心支腿固定在一个圆形支撑板上，这样可以安静地给整件作品带来稳定性。**Baio**的另一个显著特点是其形状和尺寸的多样性，此外还提供了丰富的定制范围：可供选择的材料、颜色和饰面。促使Calvi Brambilla二人做出这一决定的原因是他们打算通过将一些甚至非常不同的表格组合在一起呈现各种各样的动态设置，以符合他们最初的愿望，即在不同的群体中再现迷人的马的驰骋。

EN The inspiration behind the eccentric and original detail that is the common denominator across the Baio series can be traced back to Iceland. It was the iconic image of a herd of horses that gave the designers the idea of fitting the tables' legs with a hoof in a tapering, elongated shape. This detail gives the design an out-of-the-box look and grounds the piece in a more evident way. The resulting compositional balance is refined and delicate. In the version with the round top, the single central leg is fastened to a circular supporting plate, which quietly gives the whole piece stability. Another of Baio's distinctive features is the considerable variety of shapes and sizes available, further supplemented with ample scope for customization with a choice of materials, colours and finishes. Prompting this decision by the Calvi Brambilla duo was their intention to present variegated dynamic settings by grouping together a number of even very different tables, in line with their original desire to reproduce that captivating wandering of horses in heterogeneous groups.
