IT Si abbina alle cabine armadio Pianca con i toni della discrezione e della sobrietà, al fine di creare una divisione osmotica tra gli spazi. Pulizia formale, leggerezza, modularità al centimetro rendono Vista un sistema di chiusura minimale ed estremamente versatile. Caratteristica principale è la totale assenza di telai, in entrambe le versioni di anta, in legno e in vetro. Monorotaia o birotaia, la struttura dei binari in alluminio può essere fissata a parete, a soffitto o ad incasso, per un incredibile effetto a scomparsa

EN The perfect item to complement Pianca walk-in closets; available in multiple finishes these doors create an osmotic division between spaces. Formal cleanliness, lightness, modularity down to the centimeter make Vista a minimal and extremely versatile door system. The main feature is the total absence of frames, in both versions of these doors, in wood and in glass. Single or double track, the structure of the aluminum rails can be fixed to the wall, ceiling or recessed, for an incredible concealed effect.

Il sistema di chiusura Vista si caratterizza per la totale assenza di telai e per la modularità al millimetro. Binari e ante vengono sempre realizzati su misura.

A characteristic of the Vista door system is the absence of frames and the wide modularity. Rails and doors are always made to measure.
