

Delano up by Pier Luigi Frighetto

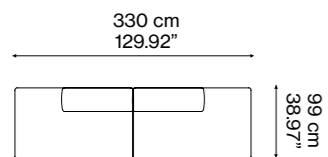

IT Eleganza, raffinatezza, libertà compositiva. Evoluzione dell'omonimo divano, di cui mantiene il tratto lineare e sofisticato, Delano up amplia le possibilità compositive e di personalizzazione grazie all'aggiunta di nuovi elementi. I moduli aggiuntivi - il pouf quadrato e trapuntato, il pouf triangolare, gli elementi terminali open e loveseat - permettono di creare una vasta gamma di configurazioni su misura, rispondendo a diverse esigenze funzionali e stilistiche. L'assenza di cuciture frontali rende l'estetica del divano ancora più raffinata: il tessuto poggia delicatamente sullo schienale e la seduta come una seconda pelle, esaltandone i volumi e le geometrie.

EN Elegance, sophistication, compositional freedom. The evolution of the Delano sofa, with its trademark sleek, sophisticated design, Delano up expands the compositional choices and custom options with new elements. The additional modules, a square quilted pouf, triangular pouf, open end and love seat modules, allow you to create a huge range of custom configurations to meet a broad range of functional and style requirements. The absence of front stitching give the sofa a more elegant look. The fabric lays softly over the backrest and seat like a second skin, accentuating the volumes and geometric forms.
