^{EN} The Tosca sideboard stands out for its compact forms, finishes in a range of colours, exotic wood options and internal bar kit. The shape of the base has an elegant tapered look to it in lacquered finishes or metallic Gold, Bronze or Titanium. Coordinating or contrasting, the surface finishes are available both in Wood and in Matt or Gloss Lacquered colours. The doors protrude beyond the carcass, creating an unexpected edge detail and providing an easy grip for opening, revealing a further contrast in materials between the exterior and interior finishes
