Eolo

Pianca SpA · Wednesday, May 8th, 2024

Spacious, versatile Eolo is a classic rectangular table with four legs, ideal for open air dining. It is the perfect partner for the Levante collection chairs. Both have a frame made of stainless steel tube, an enduring material that guarantees stability. The stoneware top, available in three different colours, has smooth, rounded corners, reflecting the design concept that permeates the entire outdoor collection with its soft curves. The gently-splayed table legs are available in Espresso or Seta paint finish.
